- Completion of [Yoga & Mindfulness in the Classroom](#): Trauma-Informed Tools to Support Social and Emotional Learning, Student Success and Positive Climate

### Course Description:

Do you find yourself wondering what more you can do to help your easily distracted student? The one who has a hard time maintaining focus? What if you had the tools that would enhance focus and attention, ease anxiety, and improve confidence, self-esteem and academic performance? During this course, you will learn simple, developmentally appropriate yoga and mindfulness tools that can be immediately integrated into your daily curriculum. These skills are a proven and effective way to promote self-regulation ability, learning readiness and resilience while cultivating a positive, peaceful, productive classroom.

Through the framework of - Noticing, Mindful Choice, Practice, Reflection, Integration – you will learn how to empower your students and yourself with increased self-awareness, the foundation for the development of self-regulation skills and cognitive control. Through 67 simple yoga and mindfulness-based activities designed to engage the whole child, you will help your students move from a state of anxiety and dysregulation to a state of engagement, control and connectedness. All activities are specially chosen for their suitability for the typical classroom space and schedule and can be done standing beside or sitting at desks, while hands and bodies remain off the floor. Yoga 4 Classrooms is easy for teachers, students, and therapists

to use, and helps to create a more harmonious, learning-friendly school day. This inspiring workshop will give you the tools to integrate yoga and mindfulness skills into your classroom, leaving everyone feeling empowered, calm and ready to learn. Absolutely no yoga experience is required.

## Coursework Overview/Requirements:

There are four requirements for the awarding of each credit:

1. Complete the prerequisites as outlined above.
2. Complete the [Yoga & Mindfulness in the Classroom: IMPLEMENT Leader Training](#) as presented at your school or organization as an inservice training or attend a scheduled public training to receive a certificate of completion.
3. **Self-Created Time Log:** Create a PDF, JPEG, or Word document including a self-created time log documenting the time you spend creating curriculum, activities, projects, strategies, or techniques inspired by the workshop that you attend. Creating your own log gives you the freedom of documenting all the time and effort you have dedicated to completing your coursework requirements. Your log must be specific and include dates and accomplishments. For each Graduate-Level Unit, document 15 hours of involvement. All your coursework participation must be away from professionally paid hours.

Whether you spend time brainstorming new ideas, creating new curriculum, researching, reading, typing your reports, reviewing Yoga 4 Classrooms materials/resources, action planning, or composing notes at the training, you are able to document all the professional time that you have invested enhancing your professional growth. You may also backdate your log to include previously developed teaching techniques or activities.

### Time Log Sample:

Date	Objective	Hours
5/19/2020	Completed first session of Yoga & Mindfulness in the Classroom	3
6/07/2020	Completed second session of Yoga & Mindfulness in the Classroom	3
6/14/2020	Reviewed notes and materials from training session	1

6/16/2020	Created new learning activity to help students engage in reading	3
6/18/2020	Typed 3-page reflection paper for first credit	3
<b>Total hours of involvement must equal 15 hours per credit</b>		<b>15</b>

4. **Reflection Paper:** For each graduate-level credit, type a 3-page, single-spaced narrative report summarizing your overall experience of creating and/or developing new ideas inspired by the training you attended. You may modify, change, or adapt any ideas to meet your professional needs. The culminating goal of this report is to demonstrate how Yoga 4 Classrooms has enhanced and empowered your professional development.

**Coursework Submission:** Coursework can be submitted up to 6 months from registering, and extensions are always granted upon request. You may also submit your coursework earlier if needed. The true course ending date that will appear on your transcript will reflect the date your coursework was received. Completed coursework should be saved as a PDF, JPEG, or Word document and include the following:

1. **Title page** with your last name, first name, course number and title, number of units, last 4 digits of SSN, and course beginning/ending date.
2. **PDF** of the workshop certificate of completion.

3. **Self-created time-log** documenting 15 hours per unit with dates and accomplishments. Include the total number of hours calculated for all coursework. (See log example below.)
4. **Reflection Paper(s)** summarizing how Yoga 4 Classrooms enhanced your professional growth.

Email your completed coursework as an attachment to [coursework@creditsforeducators.com](mailto:coursework@creditsforeducators.com). Please include in the subject line "Coursework Submission "Upon submitting your coursework, you will receive a confirmation email within 1-2 business days. You will also receive step-by-step instructions on how to request an Official transcript.

### Reflection Paper Requirements

<b>1 Graduate-Level Credit:</b> \$62 / 3-page reflection paper	<b>2 Graduate-Level Credits:</b> \$124 / 6-page reflection paper	<b>3 Graduate-Level Credits:</b> \$186 / 9-page reflection paper
---	---	---

Each graduate-level credit requires a 3-page, typed, single-spaced narrative report. Try to incorporate the following key points into the structure of your report.

#### **Activities, projects, strategies, or techniques of implementation:**

Describe the activity, project, strategy, or technique that you developed as a result of attending the workshop or conference. Be sure to include materials and resources utilized. For example, handouts, visual aids, props, books, learning strategies, etc. Detail why you chose this idea and how it fits into your professional development needs or those of your learners. Explain the actual process of introducing your project and the methods used for instruction.

#### **Population target: grade level, type of class, groups:**

Define the needs and goals of the learners that you designed these ideas for and how they might correlate to their specific needs and/or core objectives. Indicate if these learning methods were designed for special need students, specific groups within a class, developmental ages, etc.

#### **Objectives and goals:**

Describe the specific targeted learning objectives and how they related to the goals of your instructional program. Try to correlate the objectives/goals to the specific activity/project you presented. Possibly correlate, when appropriate, the objectives/goals with the Common Core Standards set for your curriculum.

#### **Evaluation methods utilized:**

Describe how you evaluated the success of the projects you developed. What methods or criteria did you use to assess your achievement of specific goals?

#### **Overall outcomes and reactions:**

Include your personal assessments of how the learning objectives and goals were achieved. What were the reactions of your learners? How would you redesign or change the methods utilized with future utilization of the projects?
